Wonder and blessing of the Age!
THE MOST EXTRACEDINARY MEDICINE IN THE WORLD.
This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the patient.
The great harnty and secret this Secret like. The great beauty and superiority of this Sarsaparilla over all other medicine is, that while it eradicates the disease, it invigorates the body. It is one of the very best

SPRING & SUMMER MEDICINES ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood: a power possessed by no other medicine. And in this lies the grand secret of its wonderful success It has performed within the last five years more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons.

To those who have lost their nuscular energy by the effects of medicine or in-discretion committed in youth, or the excessive indul-gence of the passions, and brought on a general physi-cal prostration of the nervous system, want of ambition, cal prostration of the nervous system, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any Invigorating Cordial. As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Course.—Cleanse and Strengthen. Consumption can be cured: Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Couzhs. Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Succats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be

New York, April 28, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad cough. It became ded with a violent cough, pain in my side and

blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant, WM. RUSSELL, 65 Catherine.st.

Dr. Townsend: Dear Sir—I have suffered terribly for nine years with rheumatism; considerable of the time ing a spark of hope left with me and my anxious parents, and having heard of the great virtues of your Compound Syrup of Wild Cherry, and its being approved of by physicians of the first eminence, I concluded to make a trial of it, and to my great satisfaction, my cough gradually grew better, the hole in my side began to heal, and I am now happy to say, from a poor and almost hopeless skeleton, I have become healthy, and weigh more owing from an intelligent and rest Weschester county: Fordham, August 13, 1847.

Dr. Townsend: Dear Sir-1 have a little girl seven years of age, who has been several years afflicted with Fits: we tried almost every thing for her, but withou success; at last, although we could find no recommende tion in our circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful. Yours, respectfully, JOHN BUILER, jr. Female Medicine. It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produc subsequent relaxation, which is the case of most medi cines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful Surgical operations may be prevented.

Our Salt Prospects-For several weeks .. we have had scarcely any Salt on this Cay. The supply has also been exhausted at Salt Car and at East Harbor the quantity is very small. Many vessels have, in consequence, recently left without cargoes, and this has happ ned their return home, the money to be paid into for several years at this season; a clear indication that the demand for our staple is out growing the supply. The reverse of this is the case with the staple productions of the larger Islands of the British West Indies. And it would appear certain that, so long as Great terms of amity and friendship, will the demand for our article be equal to its increasing supply, if it do not vastly exceed it-a prospect most encouraging to the present lease holders
